Once all documents have been approved by the Board of Directors, Instructors will be provided with a username and code to log in to our Swim Lane reservation platform. These reservations are required to have the instructor provide their services. Please note that residents will not need to reserve swim lanes for their own recreational swimming. This policy is specifically for swim instructors that provide instruction to GPN residents. If you have any questions, please contact Lifestyle Coordinator, Jazmin Fuentes at Jazmin.fuentes@fsresidential.com.
